Recruitment Services Cycle

Al-Khaleejia employs a process of hiring that is simple and efficient. It begins with a requirement and ends with deployment to the country of employment.

The key to this system's success is working closely and transparently with our clients who ensure that every step of the process is monitored, and issues are managed and handled with speed, tact and result oriented.

We pride ourselves on our ability to source any number of applicants of any category in the most limited time conceivable.

Requirement

Our client sends us their confirmed Manpower Requirement with related Job Descriptions, Salary Structure & Employment Terms along with the Service contract, Demand Letter, and Employment Contract.

Sourcing

After receiving the Demand Letter, and Employment Contract we can officially, advertise, interview and shortlist candidates according to client's requirements

Selection

Applicants selections are made through scheduled interviews with the client, and filtered CV process. We ensure that these events are managed efficiently.

Selection Processing

Depends on The Country Of Employment, Processing Of Documents Flow As Follows:

- Candidate must have a valid passport.
- Candidate must be medically fit and confirmed by medical reports.
- Documents required by the country issuing the visa, and professional certificates, exit clearances from previous employment in the relevant countries are to be sighted and checked for correctness.
- Liaise with the relevant companies to ensure that visas are issued as soon as possible after the correct documents being sent.

Deployment

once the candidate successfully completes the requirements for visa issue, we ensure that the candidate's travel arrangements to the country of employment are facilitated smoothly and on time.
